

**AHRI PERFORMANCE CERTIFICATION PROGRAM FOR
COMMERCIAL FURNACES**

FORM CFRN-WT1
APPLICATION FOR WITNESS TESTING

We, the undersigned, hereby request AHRI to approve our test facility, located at (*state exact address*):

for the purpose of conducting performance certification tests in accordance with the AHRI Certification Program for Commercial Furnaces. All testing shall be conducted in accordance with 10 CFR 431 and witnessed by the Independent Laboratory contracted by AHRI.

Accompanying this request is the following information:

- a. Form CFRN-WT2, Personnel Experience Questionnaire;
- b. Form CFRN-WT3, Facility and Equipment Questionnaire;
- c. A complete list of all instruments and equipment being used to perform certification testing in accordance with Department of Energy 10 CFR 431 Energy Efficiency Program for Certain Commercial and Industrial Equipment and a copy of each calibration report showing date of last calibration.
- d. A statement that the test facility is in conformance with all of the provisions of the latest edition of 10 CFR Part 431.
- e. A schematic drawing of the area of the test facility in which certification testing shall be performed; and
- f. Photographs of the test facility in which certification testing shall take place, which shall include sufficient views to show the location and connection of each instrument.

In signing this form, and submitting all information requested above, we acknowledge that the test facility is in conformance with all of the provisions of the latest edition of 10 CFR 431.
