Reinvention Objectives

• Ensure that AHRI is well positioned to represent the industry now and in the future
• Meet the emerging needs of all members in a dynamic regulatory and political landscape
• Increase the value of AHRI to members
• Make it easier and more effective for all members to engage and participate in the association
• Make the most effective use of our volunteers’ time
Summary Recommendations

• Redefine Board governance structure ✓
• Create industry sectors governed by Sector Leadership Councils
  • Elect Sector Councils ✓
  • Hire staff sector leads ✓
• Replace product section model with more effective and efficient workflows to deliver AHRI core services
  • Product section mapping ✓
  • Establish initial workgroups ✓
  • Refine processes and procedures - underway
  • Provide new communication and collaboration tools – implementing
re·in·vent
/ˌrēinˈvent/
verb
1. change (something) so much that it appears to be entirely new.

• May 18-20
• Marriott Marquis Washington, DC

2021 AHRI Spring Meeting
• May 25-27
• Marriott Marquis Washington, DC
Information Accuracy

• With the new structure, information accuracy will be more important than ever

• While you’re here, particularly if you’re an O-rep, take a minute to review the accuracy of your company’s information.

• Look for this pop-up outside the glass room right across from this ballroom
