

Appendix A - AHRI Data Subscription Program Application

Application Date (MM/DD/YYYY)

Licensee's Legal Business Name

Licensee's Business Website (if available)

Licensee's Business Type

Describe Business Type if "Other"

Q1. Please describe how AHRI Data will be used, who will be using it, and for what purpose.

Q2. Will AHRI Data be made accessible to look-up tool(s) or software (Tools)?

Yes

No

If Q2 is No, proceed to question Q9.

Q3. Who is the intended audience/users of the Tools?

Q4. Will the intended audience/users have to pay, or have some sort of paid membership or affiliation, to access the Tools?

Yes

No

Q5. If the intended audience/users does not need to pay to access the Tools, who is financing the creation of the Tools? Provide the name of each sponsoring organization, their business type, and their websites (if available).

Q6. Provide the name of each Tool where AHRI Data will be used/displayed and the owner of the Tool.

Q7. Will the Tools contain products that are not AHRI Certified?

Yes

No

Q8. In addition to showing or using AHRI Data, will the Tools show or use data acquired through other sources (i.e. another rating organization, manufacturer, data entered by user, etc.)?

Yes

No

Q8b. If non-AHRI Data will be shown or used, what type of data is this and what is the source of this data? Leave blank if not applicable.

Q9. Will the Licensee be sublicensing the License to another individual and/or organization? A Sublicensee is any other individual or organization with which the Licensee is working to provide, handle, display, and/or host AHRI Data. An example of a Licensee/Sublicensee arrangement would be a data aggregator (Licensee), UI/UX designer (Sublicensee), web developer (Sublicensee), and/or website, tool, or brand owner (Sublicensee).

Yes

No

If Q9 is Yes, Licensee is required to submit and maintain Appendix D - Authorized Sublicensees.

Q10. Please share any additional information you feel would be relevant to the review of your application.
