

DCOM REQUEST FOR VERIFICATION

AHRI CERTIFICATION PROGRAM FOR DATACOM COOLING

Complete the information below for each chiller verification request. A copy of the output sheet from the manufacturer's Catalog or Selection Rating Software must be submitted in conjunction with this form. All fields must be completed prior to submission. Once completed send to AHRIVerification@ahrinet.org. Please allow ten (10) calendar days for AHRI to conduct the verification and respond to your request.
